*Mahatma Gandhi National fellowship academic (MGNF) module of Sankalp under Ministry of Skill Development and Entrepreneurship (MSDE), Government of India.*

Indian Institute of Management (IIM) Jammu has successfully inaugurated the second academic module of the Mahatma Gandhi National Fellowship (MGNF) Programme on March 7. Mahatma Gandhi National fellowship academic (MGNF) module of Sankalp under Ministry of Skill Development and Entrepreneurship (MSDE), Government of India. Module-I of the programme was organized by IIM Jammu from October 25 to November 6, 2021. The fellows joined their respective districts in J & K, West Bengal, Ladakh, Chandigarh, and Puducherry for district immersion where the fellows worked closely with district administration for enhancing their skills and promote economic development, the institute informed.

Professor BS Sahay, Director, IIM Jammu in presence of Professor Jabir Ali, Program Director, and Dr Muqbil Burhan, Co-Program Director, MGNF inaugurated the programme. The official press release said, “The event witnessed the presence of faculty members, MGNF team, and students. The program spans twelve days where learning and application will go simultaneously. Dr Muqbil Burhan, Co-Program Director, MGNF welcomed the fellows to the second module. Professor Jabir Ali, Program Director, MGNF briefed the audience about Academic Module-I and District Module-I and talked about the contributions of fellows despite the various challenges faced.”

The fellows received congratulatory wishes upon successful completion of District Immersion-I by Professor BS Sahay, Director, IIM Jammu. The director appreciated the hard work of the fellows

and their contributions in uplifting the skill development at the district level despite various challenges such as harsh weather conditions, difficult terrains, administrative difficulties, and challenges in times of the ongoing pandemic. He also complimented the role of female and differently-abled fellows in making the programme more inclusive and successful.

MGN Fellowship is a two-year programme that combines classroom sessions at IIM with an intensive field immersion at the district level to strengthen the district skill administration and the District Skill Committees (DSCs). The Program has been designed by the initiative of the Ministry of Skill Development and Entrepreneurship (MSDE), Government of India, and implemented in collaboration with State Skill Development Missions (SSDMs). The purpose of this Academic Module is to create a learning ecosystem for Fellows so that they can contribute towards the strengthening of the district institutions to improve their functioning. IIM faculty would teach course content under each course module that is consistent with 40 contact days; along with off-campus mentoring, field experience, and workshops that should form an integral part of the learning.

Dr Muqbil Burhan, Co-Program Director, MGNF thanked all the faculty, departments, Government of West Bengal, UTs of J & K, Ladakh, Chandigarh, and Puducherry for their kind support.

## IIM Jammu Launches 2nd Academic Module of MGNF Program

**Arpita Das**

**Study Abroad Expert | Updated On - March 8th, 2022 06:14 PM IST**

**New Delhi:** IIM Jammu officially launched the second academic module of the MGNF programme on March 7. Sankalp's MGNF module is funded by the Government of India's Ministry of Skill Development and Entrepreneurship (MSDE).

The programme was launched by Professor BS Sahay, Director, [IIM Jammu](#), in the presence of Professor Jabir Ali, Program Director, and Dr Muqbil Burhan, Co-Program Director, MGNF.

According to the institute, the associates went to their respective districts in J&K, West Bengal, Ladakh, Chandigarh, and Puducherry for district immersion, where they worked closely with district administration to improve their abilities and promote economic growth.

As per the official press release, the event was attended by faculty members, the MGNF team, and students. The programme will last twelve days and will include both learning and application. Dr Muqbil Burhan, MGNF Co-Program Director, welcomed the fellows to the second module. Professor Jabir Ali, MGNF Program Director, informed the audience on Academic Module-I and District Module-I, as well as the efforts of fellows despite the challenges they faced.

IIM Jammu hosted Module-I of the programme from October 25 to November 6, 2021.

Professor BS Sahay, Director of IIM Jammu, congratulated the associates on their successful completion of District Immersion-I. The director praised the associates' efforts and contributions to improving skill development at the district level despite several hurdles such as harsh weather, challenging terrains, administrative issues, and difficulties during the continuing epidemic.

He also praised the female and differently-abled fellows for their contributions to the program's inclusiveness and success.

The MGN Fellowship is a two-year programme that combines classroom sessions at IIM with extensive field immersion at the district level in order to develop district skill administration and District Skill Committees (DSCs).

The **programme** was created at the initiative of the Government of India's Ministry of Skill Development and Entrepreneurship (MSDE) and is being implemented in partnership with State Skill Development Missions (SSDMs).

The goal of this academic module is to provide a learning environment in order to contribute to the building of district institutions and enhance their functioning.

IIM faculty would teach course content for each course module in accordance with the 40 contact days, as well as off-campus mentorship, field experience, and workshops that should be an intrinsic component of the learning.

Dr. Muqbil Burhan, Co-Program Director, MGNF, expressed gratitude to the faculty, departments, the Government of West Bengal, the UTs of J&K, Ladakh, Chandigarh, and Puducherry.
