J-K: IIM Jammu signs MoU to amp up skill development ecosystem

May 25, 2022 Aljazeera

Jammu [India], May 26 (ANI): Indian Institute of Management (IIM) Jammu signed a Memorandum of Understanding (MoU) with Jammu and Kashmir Skill Development Department (SDD) at the Civil Secretariat in Jammu on Wednesday.

The MoU was signed by Professor BS Sahay, Director of IIM Jammu and Dr. Asgar Hassan Samoon, Principal Secretary, Government of Jammu and Kashmir.

“IIM Jammu will work closely with the Department of Skill Development to improve the skill development ecosystem of J&K by mentoring Polytechnics and ITIs and offering management development training programmes to the principals and faculty of these institutes”, stated an official release.

Speaking on the occasion, Professor BS Sahay said, “The MoU provides various opportunities to work together in the areas of skill development, mentoring, entrepreneurship, and developing of skill hubs in the UT of Jammu and Kashmir. These collaborations will be helpful in fostering the advancement in entrepreneurship and enhancement of skills among the faculty and trainers through various capacity-building programs. I am sure the collaboration will lead to meaningful outcomes in the interest of the youth and people of the Union Territory of Jammu and Kashmir.”

Asgar Hassan Samoon said, “The collaboration with IIM Jammu will help the Department of Skill Development to develop its competence in many key areas ranging from skill development to entrepreneurship and increase industry interactions. I would like to emphasize that the collaboration would give a leading edge to the Department of Skill Development in the core areas of skill development, business incubations, entrepreneurship, and development of skill hubs in the Union Territory of Jammu and Kashmir.” (ANI)

Jammu, May 25 (PTI) Jammu and Kashmir Skill Development Department on Wednesday signed a Memorandum of Understanding with Indian Institute of Management, Jammu, to embark on a journey of mentor-mentee relationship for skill revolution in the union territory.

SDD Principal Secretary Dr. Asgar Hassan Samoon and Director IIM Jammu, Prof. B.S. Sahay inked the pact on behalf of their respective departments and institutions, an official spokesman said.

Dr. Samoon said the government is committed to support the introduction of skill-based quality education in order to provide the community particularly youth with need-based, technical and professional education as part of the Skill Development Programme.

He said skill development is the need of the hour and the MoU will be the defining element in J&K's growth story. "Government alone cannot accomplish this task, but concerted efforts of government, private players, IIMs and IITs will collectively bring a skill revolution in J&K," he said.

According to the memorandum, the IIM Jammu will handhold a selected set of Polytechnics and ITIs across J&K through mentor-mentee relationship.

Management training programs would be conducted for a selected set of students from Polytechnics and ITIs that can potentially help them in better placements and understanding of the skill development ecosystem, the spokesman said.

He said the memorandum will also include leadership development programs for the Principals of Polytechnics and ITIs, administrators working with Skill Development for quality leadership and improvement of work culture in the Departments, ITIs and Polytechnics. To promote entrepreneurship and help them in creating a link between skill development and entrepreneurship, the spokesman said the IIM will help the SDD to facilitate setting up of business incubators in selected IITs and Polytechnics. Besides, the IIM will help ITIs and Polytechnics in developing competitive skills and increase industry interactions, he said.

The spokesman said the IIM Jammu would help SDD in capacity building through 1-2 weeks of training courses for mentoring trainers and faculty in the ITI and Polytechnics and train them in developing industry reports, newsletters and competitive spirit to develop their institutes.

IIM Jammu would also offer consultancy services to the SDD and help in tracer studies, district skill development plans, implementation of government schemes, identify skill and training needs, the spokesman said.

To provide students an early exposure to competitive ecosystems and upgrade their capacity to compete with top institutions of the country, he said the SDD would organize frequent visits of selected groups of students of ITIs and Polytechnics to the IIM Jammu campuses and facilitate their participation in leadership summits and competitions among others.

Also, IIM Jammu faculty will visit various ITIs and Polytechnics under SDD with necessary logistic and facilitation support from the department to motivate the administration of these institutes towards a positive change and encourage the staff, the spokesman said.

He said the IIM Jammu will regularly share the information about skill development-related programs started by IIM Jammu and its partner institutes with SDD so that its students and faculty can enroll and benefit from them. PTI TAS RCJ

IIM Jammu Sign MoU with SSD to strengthen Skill Development Ecosystem

By P C Thomas May 26 2022 09:49 AM

JAMMU: The Indian Institute of Management (IIM) Jammu, and the Jammu and Kashmir Skill Development Department (SDD) has signed a Memorandum of Understanding (MoU) at the Civil Secretariat in Jammu.

Professor BS Sahay, Director of IIM Jammu, and Dr. Asgar Hassan Samoon, Principal Secretary of the Government of Jammu and Kashmir, signed the agreement.

"By mentoring Polytechnics and ITIs and giving management development training programmes to the principals and staff of these institutes, IIM Jammu will engage closely with the Department of Talent Development to promote the skill development ecosystem of J&K," according to an official announcement.

Professor BS Sahay, speaking at the event, stated, "The MoU paves the way for collaboration in the areas of skill development, mentoring, entrepreneurship, and the creation of skill centres in Jammu and Kashmir's UT. Through various capacity-building programmes, these relationships will aid in the promotion of entrepreneurship and the enhancement of skills among teachers and trainees. I am confident that the engagement would yield positive results for the youth and people of the Union Territory of Jammu and Kashmir."

The MoU was signed by Professor BS Sahay, Director of IIM Jammu and Dr. Asgar Hassan Samoon, Principal Secretary, Government of Jammu and Kashmir. "IIM Jammu will work closely with the Department of Skill Development to improve the skill development ecosystem of J&K by mentoring Polytechnics and ITIs and offering management development training programmes to the principals and faculty of these institutes", stated an official release.

Speaking on the occasion, Professor BS Sahay said, "The MoU provides various opportunities to work together in the areas of skill development, mentoring, entrepreneurship, and developing of skill hubs in the UT of Jammu and Kashmir. These collaborations will be helpful in fostering the advancement in entrepreneurship and enhancement of skills among the faculty and trainers through various capacity-building programs. I am sure the collaboration will lead to meaningful outcomes in the interest of the youth and people of the Union Territory of Jammu and Kashmir."

Dr. Asgar Hassan Samoon said, "The collaboration with IIM Jammu will help the Department of Skill Development to develop its competence in many key areas ranging from skill development to entrepreneurship and increase industry interactions. I would like to emphasize that the collaboration would give a leading edge to the Department of Skill Development in the core areas of skill development, business incubations, entrepreneurship, and development of skill hubs in the Union Territory of Jammu and Kashmir." Jammu IIM, SDD J&K embark on mentor-mentee relationship for skill revolution in J&K

Jammu, May 25 (UNI) The Department of Skill Development on Wednesday signed a Memorandum of Understanding (MOU) with Indian Institute of Management Jammu to embark on a journey of mentor-mentee relationship for skill revolution in J&K. Principal Secretary, Skill Development, Dr. Asgar Hassan Samoon, and Director IIM Jammu, Prof. B.S. Sahay inked the memorandum on behalf of their respective departments and institutions.

Director Skill Development J&K, officers of SDD and Professor Muqbil Burhan and Cmdr Kesavan Baskaran (R), Chief Administrative Officer, IIM Jammu were also present on the occasion. The MoU read that IIM Jammu will handhold selected set of Polytechnics and ITIs across JKUT through mentor-mentee relationship. “Management training programs would be conducted for selected set of students from Polytechnics and ITIs that can potentially help them in better placements and understanding of skill development ecosystem,” added the Memorandum.

The memorandum will also include Leadership development programs for the Principals of Polytechnics and ITIs, administrators working with SDDJK for quality leadership and improvement of work culture in the Departments, ITIs and Polytechnics. To promote entrepreneurship and help them in creating link between skill development and Entrepreneurship, IIM will help the Skill Development department to facilitate setting up of Business incubators in selected ITIs/Polytechnics. Besides, the IIM will help ITIs and Polytechnics in developing competitive skills and increase industry interactions, memorandum reads. According to the memorandum, IIM Jammu would help SDDJK in capacity building through 1-2 weeks of training courses for mentoring trainers/faculty in the ITI and Polytechnics and train them in developing industry reports, newsletters and competitive spirit to develop their institutes.

IIM Jammu would also offer consultancy services to the SDDJK and help in Tracer studies, District Skill Development Plans, implementation of government schemes, identify skill and training needs etc. To provide students an early exposure to competitive ecosystem and upgrade their capacity to compete with top institutions of the country, SDDJK would organize frequent visits of selected group of students of ITIs and Polytechnics to the IIM Jammu campuses and facilitate their participation in Leadership Summits, Competitions, Hackathons etc. Also, IIM Jammu faculty will visit various ITIs and Polytechnics under SDDJK with necessary

IIM Jammu will regularly share the information about skill development related programs started by IIM Jammu and its partner institutes with SDD so that its students/faculty can enroll and benefit from them. Speaking on the occasion, Dr Samoon said that the government is committed to support the introduction of skill-based quality education in order to provide the community particularly youth with need-based, technical and professional education as part of the Skill Development Programme. “Skill development is the need of the hour; the MoU will be the defining element in J&K’s growth story. Government alone cannot accomplish this task, but concerted efforts of government, private players, IIMs, and IITs will collectively bring skill revolution in J&K,” he added.

Jammu: Jammu and Kashmir Skill Development Department on Wednesday signed a Memorandum of Understanding with Indian Institute of Management, Jammu, to embark on a journey of mentor-mentee relationship for skill revolution in the union territory.

SDD Principal Secretary Dr. Asgar Hassan Samoon and Director IIM Jammu, Prof. B.S. Sahay inked the pact on behalf of their respective departments and institutions, an official spokesman said.

Dr. Samoon said the government is committed to support the introduction of skill-based quality education in order to provide the community particularly youth with need-based, technical and professional education as part of the Skill Development Programme. He said skill development is the need of the hour and the MoU will be the defining element in J&K's growth story.

Government alone cannot accomplish this task, but concerted efforts of government, private players, IIMs and IITs will collectively bring a skill revolution in J&K, he said. According to the memorandum, the IIM Jammu will handhold a selected set of Polytechnics and ITIs across J&K through mentor-mentee relationship.

Management training programs would be conducted for a selected set of students from Polytechnics and ITIs that can potentially help them in better placements and understanding of the skill development ecosystem, the spokesman said. He said the memorandum will also include leadership development programs for the Principals of Polytechnics and ITIs, administrators working with Skill Development for quality leadership and improvement of work culture in the Departments, ITIs and Polytechnics.

To promote entrepreneurship and help them in creating a link between skill development and entrepreneurship, the spokesman said the IIM will help the SDD to facilitate setting up of business incubators in selected IITs and Polytechnics. Besides, the IIM will help ITIs and Polytechnics in developing competitive skills and increase industry interactions, he said.

The spokesman said the IIM Jammu would help SDD in capacity building through 1-2 weeks of training courses for mentoring trainers and faculty in the ITI and Polytechnics and train them in developing industry reports, newsletters and competitive spirit to develop their institutes.

IIM Jammu would also offer consultancy services to the SDD and help in tracer studies, district skill development plans, implementation of government schemes, identify skill and training needs, the spokesman said.

To provide students an early exposure to competitive ecosystems and upgrade their capacity to compete with top institutions of the country, he said the SDD would organize frequent visits of selected groups of students of ITIs and Polytechnics to the IIM Jammu campuses and facilitate their participation in leadership summits and competitions among others.

Also, IIM Jammu faculty will visit various ITIs and Polytechnics under SDD with necessary logistic and facilitation support from the department to motivate the administration of these institutes towards a positive change and encourage the staff, the spokesman said.

He said the IIM Jammu will regularly share the information about skill development related programs started by IIM Jammu and its partner institutes with SDD so that its students and faculty can enroll and benefit from them.

Sahay inked the memorandum on behalf of their respective departments and institutions. Director Skill Development J&K, officers of SDD and Professor Muqbil Burhan were also present on the occasion

The MoU read that IIM Jammu will handhold selected set of Polytechnics and ITIs across JKUT through mentor-mentee relationship. "Management training programs would be conducted for selected set of students from Polytechnics and ITIs that can potentially help them in better placements and understanding of skill development ecosystem," added the Memorandum.

The memorandum will also include Leadership development programs for the Principals of Polytechnics and ITIs, administrators working with SDDJK for quality leadership and improvement of work culture in the Departments, ITIs and Polytechnics.

To promote entrepreneurship and help them in creating link between skill development and Entrepreneurship, IIM will help the Skill Development department to facilitate setting up of Business incubators in selected ITIs/Polytechnics. Besides, the IIM will help ITIs and Polytechnics in developing competitive skills and increase industry interactions, memorandum reads.

According to the memorandum, IIM Jammu would help SDDJK in capacity building through 1-2 weeks of training courses for mentoring trainers/faculty in the ITI and Polytechnics and train them in developing industry reports, newsletters and competitive spirit to develop their institutes. IIM Jammu would also offer consultancy services to the SDDJK and help in Tracer studies, District Skill Development Plans, implementation of government schemes, identify skill and training needs etc.

To provide students an early exposure to competitive ecosystem and upgrade their capacity to compete with top institutions of the country, SDDJK would organize frequent visits of selected group of students of ITIs and Polytechnics to the IIM Jammu campuses and facilitate their participation in Leadership Summits, Competitions, Hackathons etc.

Also, IIM Jammu faculty will visit various ITIs and Polytechnics under SDDJK with necessary logistic and facilitation support from the department to motivate the administration of these institutes towards a positive change and encourage the staff. IIM Jammu will regularly share the information about skill development related programs started by IIM Jammu and its partner institutes with SDD so that its students/faculty can enroll and benefit from them.

Speaking on the occasion, Dr Samoon said that the government is committed to support introduction of skill-based quality education in order to provide the community particularly youth with need based, technical and professional education as part of the Skill Development Programme.

“Skill development is the need of the hour, the MoU will be the defining element in J&K’s growth story. Government alone cannot accomplish this task, but concerted efforts of government, private players, IIMs and IITs will collectively bring skill revolution in J&K,” he added.

Jammu, May 25: Jammu and Kashmir Skill Development Department on Wednesday signed a Memorandum of Understanding with Indian Institute of Management, Jammu, to embark on a journey of mentor-mentee relationship for skill revolution in the union territory.

SDD Principal Secretary Dr. Asgar Hassan Samoon and Director IIM Jammu, Prof. B.S. Sahay inked the pact on behalf of their respective departments and institutions, an official spokesman said.

Dr. Samoon said the government is committed to support the introduction of skill-based quality education in order to provide the community particularly youth with need-based, technical and professional education as part of the Skill Development Programme.

He said skill development is the need of the hour and the MoU will be the defining element in J&K's growth story.

Government alone cannot accomplish this task, but concerted efforts of government, private players, IIMs and IITs will collectively bring a skill revolution in J&K, he said.

According to the memorandum, the IIM Jammu will handhold a selected set of Polytechnics and ITIs across J&K through mentor-mentee relationship.

Management training programs would be conducted for a selected set of students from Polytechnics and ITIs that can potentially help them in better placements and understanding of the skill development ecosystem, the spokesman said.

He said the memorandum will also include leadership development programs for the Principals of Polytechnics and ITIs, administrators working with Skill Development for quality leadership and improvement of work culture in the Departments, ITIs and Polytechnics.

To promote entrepreneurship and help them in creating a link between skill development and entrepreneurship, the spokesman said the IIM will help the SDD to facilitate setting up of business incubators in selected IITs and Polytechnics.

Besides, the IIM will help ITIs and Polytechnics in developing competitive skills and increase industry interactions, he said.

The spokesman said the IIM Jammu would help SDD in capacity building through 1-2 weeks of training courses for mentoring trainers and faculty in the ITI and Polytechnics and train them in developing industry reports, newsletters and competitive spirit to develop their institutes.

IIM Jammu would also offer consultancy services to the SDD and help in tracer studies, district skill development plans, implementation of government schemes, identify skill and training needs, the spokesman said.

To provide students an early exposure to competitive ecosystems and upgrade their capacity to compete with top institutions of the country, he said the SDD would organize frequent visits of selected groups of students of ITIs and Polytechnics to the IIM Jammu campuses and facilitate their participation in leadership summits and competitions among others.

Also, IIM Jammu faculty will visit various ITIs and Polytechnics under SDD with necessary logistic and facilitation support from the department to motivate the administration of these institutes towards a positive change and encourage the staff, the spokesman said.

He said the IIM Jammu will regularly share the information about skill development related programs started by IIM Jammu and its partner institutes with SDD so that its students and faculty can enroll and benefit from them.

IIM Jammu, SDD sign MoU to bring skill revolution in J&K

2 mins read [Comment](#)

[Anum Ansari](#) Assistant Manager – Content Updated on May 26, 2022 09:06 IST

In order to provide community people especially youth with need-based, technical and professional education, the government is in favor of introducing skill-based quality education as part of the Skill Development Programme.

Jammu and Kashmir Skill Development Department has collaborated with the Indian Institute of Management, Jammu. A memorandum of understanding (MoU) has been signed to embark on a journey of mentor-mentee relationship for skill revolution in the union territory. SDD Principal Secretary Dr. Asgar Hassan Samoon and Director IIM Jammu, Prof. B.S. Sahay signed the MoU on behalf of their respective departments and institutions.

The MoU will enable skill-based education

In order to provide community people especially youth with need-based, technical and professional education, the government is in favor of introducing skill-based quality education as part of the Skill Development Programme. Stating that skill-based education is the need of the hour, an official spokesperson said, “Government alone cannot accomplish this task, but concerted efforts of government, private players, IIMs and IITs will collectively bring a skill revolution in J and K.”

Set of Polytechnics and ITIs across J and K will be selected by IIM Jammu through a mentor-mentee relationship. The MoU will also ensure conduct of management training programs for a selected set of students from Polytechnics and ITIs that can potentially help them in better placements and understanding of the skill development ecosystem, the spokesman said. The MoU will also include leadership development programs for the Principals of Polytechnics and ITIs, administrators working with Skill Development for quality leadership and improvement of work culture in the Departments, ITIs and Polytechnics.

IIM Jammu to offer consultancy services

To promote entrepreneurship and help them in creating a link between skill development and entrepreneurship, the spokesman said the IIM will help the SDD to facilitate the setting up of business incubators in selected IITs and Polytechnics. Besides, the IIM will help ITIs and Polytechnics in developing competitive skills and increase industry interactions, he said. The spokesman said the IIM Jammu would help SDD in capacity building through 1-2 weeks of training courses for mentoring trainers and faculty in the ITI and Polytechnics and train them in developing industry reports, newsletters and competitive spirit to develop their institutes.

IIM Jammu would also offer consultancy services to the SDD and help in tracer studies, district skill development plans, implementation of government schemes, and identify skill and training needs, the spokesman said. To provide students early exposure to competitive ecosystems and upgrade their capacity to compete with top institutions of the country, he said the SDD would organize frequent visits of selected groups of students of ITIs and Polytechnics to the IIM Jammu campuses and facilitate their participation in leadership summits and competitions among others.

The institute will also provide necessary logistic and facilitation support under SDD. IIM Jammu faculty will also visit various ITIs and Polytechnics to motivate the administration of these institutes toward a positive change and encourage the staff.

According to the memorandum, IIM Jammu would help SDDJK in capacity building through 1-2 weeks of training courses for mentoring trainers/faculty in the ITI and Polytechnics and train them in developing industry reports, newsletters and competitive spirit to develop their institutes.

IIM Jammu would also offer consultancy services to the SDDJK and help in Tracer studies, District Skill Development Plans, implementation of government schemes, identify skill and training needs etc.

To provide students an early exposure to competitive ecosystem and upgrade their capacity to compete with top institutions of the country, SDDJK would organize frequent visits of selected group of students of ITIs and Polytechnics to the IIM Jammu campuses and facilitate their participation in Leadership Summits, Competitions, Hackathons etc.

Also, IIM Jammu faculty will visit various ITIs and Polytechnics under SDDJK with necessary logistic and facilitation support from the department to motivate the administration of these institutes towards a positive change and encourage the staff. IIM Jammu will regularly share the information about skill development related programs started by IIM Jammu and its partner institutes with SDD so that its students/faculty can enroll and benefit from them.

Speaking on the occasion, Dr Samoon said that the government is committed to support introduction of skill-based quality education in order to provide the community particularly youth with need based, technical and professional education as part of the Skill Development Programme.

“Skill development is the need of the hour, the MoU will be the defining element in J&K’s growth story. Government alone cannot accomplish this task, but concerted efforts of government, private players, IIMs and IITs will collectively bring skill revolution in J&K,” he added.

IIM Jammu, SDD J&K embark on mentor-mentee relationship for skill revolution in J&K

Dated : May 25, 2022 General

IIM Jammu, SDD J&K embark on mentor-mentee relationship for skill revolution in J&K
Memorandum will prove defining element in J&K's skill growth story: Dr Samoon

JAMMU, MAY 25: Department of Skill Development today signed a Memorandum of Understanding (MOU) with Indian Institute of Management Jammu to embark on a journey of mentor-mentee relationship for skill revolution in J&K.

In this regard, Principal Secretary, Skill Development, Dr. Asgar Hassan Samoon, and Director IIM Jammu, Prof. B. S. Sahay inked the memorandum on behalf of their respective departments and institutions.

Director Skill Development J&K, officers of SDD and Professor Muqbil Burhan and Cmdr Kesavan Baskaran (R), Chief Administrative Officer, IIM Jammu were also present on the occasion

The MoU read that IIM Jammu will handhold selected set of Polytechnics and ITIs across JKUT through mentor-mentee relationship. "Management training programs would be conducted for selected set of students from Polytechnics and ITIs that can potentially help them in better placements and understanding of skill development ecosystem," added the Memorandum.

The memorandum will also include Leadership development programs for the Principals of Polytechnics and ITIs, administrators working with SDDJK for quality leadership and improvement of work culture in the Departments, ITIs and Polytechnics.

To promote entrepreneurship and help them in creating link between skill development and Entrepreneurship, IIM will help the Skill Development department to facilitate setting up of Business incubators in selected ITIs/Polytechnics. Besides, the IIM will help ITIs and Polytechnics in developing competitive skills and increase industry interactions, memorandum reads.

According to the memorandum, IIM Jammu would help SDDJK in capacity building through 1-2 weeks of training courses for mentoring trainers/faculty in the ITI and Polytechnics and train them in developing industry reports, newsletters and competitive spirit to develop their institutes.

IIM Jammu would also offer consultancy services to the SDDJK and help in Tracer studies, District Skill Development Plans, implementation of government schemes, identify skill and training needs etc.

To provide students an early exposure to competitive ecosystem and upgrade their capacity to compete with top institutions of the country, SDDJK would organize frequent visits of selected group of students of ITIs and Polytechnics to the IIM Jammu campuses and facilitate their participation in Leadership Summits, Competitions, Hackathons etc.

Also, IIM Jammu faculty will visit various ITIs and Polytechnics under SDDJK with necessary logistic and facilitation support from the department to motivate the administration of these institutes towards a positive change and encourage the staff. IIM Jammu will regularly share the information about skill development related programs started by IIM Jammu and its partner institutes with SDD so that its students/faculty can enroll and benefit from them.

Speaking on the occasion, Dr Samoon said that the government is committed to support introduction of skill-based quality education in order to provide the community particularly youth with need based, technical and professional education as part of the Skill Development Programme.

“Skill development is the need of the hour, the MoU will be the defining element in J&K’s growth story. Government alone cannot accomplish this task, but concerted efforts of government, private players, IIMs and IITs will collectively bring skill revolution in J&K,” he added.

J-K: IIM Jammu signs MoU to amp up skill development ecosystem

ANI

26 May 2022, 05:55 GMT+10

Jammu [India], May 26 (ANI): Indian Institute of Management (IIM) Jammu signed a Memorandum of Understanding (MoU) with Jammu and Kashmir Skill Development Department (SDD) at the Civil Secretariat in Jammu on Wednesday.

The MoU was signed by Professor BS Sahay, Director of IIM Jammu and Dr. Asgar Hassan Samoon, Principal Secretary, Government of Jammu and Kashmir.

"IIM Jammu will work closely with the Department of Skill Development to improve the skill development ecosystem of JK by mentoring Polytechnics and ITIs and offering management development training programmes to the principals and faculty of these institutes", stated an official release.

Speaking on the occasion, Professor BS Sahay said, "The MoU provides various opportunities to work together in the areas of skill development, mentoring, entrepreneurship, and developing of skill hubs in the UT of Jammu and Kashmir. These collaborations will be helpful in fostering the advancement in entrepreneurship and enhancement of skills among the faculty and trainers through various capacity-building programs. I am sure the collaboration will lead to meaningful outcomes in the interest of the youth and people of the Union Territory of Jammu and Kashmir."

Dr. Asgar Hassan Samoon said, "The collaboration with IIM Jammu will help the Department of Skill Development to develop its competence in many key areas ranging from skill development to entrepreneurship and increase industry interactions. I would like to emphasize that the collaboration would give a leading edge to the Department of Skill Development in the core areas of skill development, business incubations, entrepreneurship, and development of skill hubs in the Union Territory of Jammu and Kashmir." “Management training programs would be conducted for selected set of students from Polytechnics and ITIs that can potentially help them in better placements and understanding of skill development ecosystem,” added the Memorandum.

The memorandum will also include Leadership development programs for the Principals of Polytechnics and ITIs, administrators working with SDDJK for quality leadership and improvement of work culture in the Departments, ITIs and Polytechnics.

To promote entrepreneurship and help them in creating link between skill development and Entrepreneurship, IIM will help the Skill Development department to facilitate setting up of Business incubators in selected ITIs/Polytechnics.

Besides, the IIM will help ITIs and Polytechnics in developing competitive skills and increase industry interactions, memorandum reads.

According to the memorandum, IIM Jammu would help SDDJK in capacity building through 1-2 weeks of training courses for mentoring trainers/faculty in the ITI and Polytechnics and train them in developing industry reports, newsletters and competitive spirit to develop their institutes.

IIM Jammu would also offer consultancy services to the SDDJK and help in Tracer studies, District Skill Development Plans, implementation of government schemes, identify skill and training needs etc.

To provide students an early exposure to competitive ecosystem and upgrade their capacity to compete with top institutions of the country, SDDJK would organize frequent visits of selected group of students of ITIs and Polytechnics to the IIM Jammu campuses and facilitate their participation in Leadership Summits, Competitions, Hackathons etc.

Also, IIM Jammu faculty will visit various ITIs and Polytechnics under SDDJK with necessary logistic and facilitation support from the department to motivate the administration of these institutes towards a positive change and encourage the staff.

IIM Jammu will regularly share the information about skill development related programs started by IIM Jammu and its partner institutes with SDD so that its students/faculty can enroll and benefit from them.

Speaking on the occasion, Dr Samoon said that the government is committed to support introduction of skill-based quality education in order to provide the community particularly youth with need based, technical and professional education as part of the Skill Development Programme.

“Skill development is the need of the hour, the MoU will be the defining element in J&K’s growth story. Government alone cannot accomplish this task, but concerted efforts of government, private players, IIMs and IITs will collectively bring skill revolution in J&K,” he added.

REGIONAL NEWS AGENCY (RNA)

Today's Bulletin - Wednesday, May 25, 2022

Wednesday 25th May 2022

JAMMU, MAY 25 (RNA): Department of Skill Development today signed a Memorandum of Understanding (MOU) with Indian Institute of Management Jammu to embark on a journey of mentor-mentee relationship for skill revolution in J&K. In this regard, Principal Secretary, Skill Development, Dr. Asgar Hassan Samoon, and Director IIM Jammu, Prof. B.S. Sahay inked the memorandum on behalf of their respective departments and institutions.

Director Skill Development J&K, officers of SDD and Professor Muqbil Burhan and Cmdr Kesavan Baskaran (R), Chief Administrative Officer, IIM Jammu were also present on the occasion. The MoU read that IIM Jammu will handhold selected set of Polytechnics and ITIs across JKUT through mentor-mentee relationship.

“Management training programs would be conducted for selected set of students from Polytechnics and ITIs that can potentially help them in better placements and understanding of skill development ecosystem,” added the Memorandum. The memorandum will also include Leadership development programs for the Principals of Polytechnics and ITIs, administrators working with SDDJK for quality leadership and improvement of work culture in the Departments, ITIs and Polytechnics.

To promote entrepreneurship and help them in creating link between skill development and Entrepreneurship, IIM will help the Skill Development department to facilitate setting up of Business incubators in selected ITIs/Polytechnics. Besides, the IIM will help ITIs and Polytechnics in developing competitive skills and increase industry interactions, memorandum reads.

According to the memorandum, IIM Jammu would help SDDJK in capacity building through 1-2 weeks of training courses for mentoring trainers/faculty in the ITI and Polytechnics and train them in developing industry reports, newsletters and competitive spirit to develop their institutes. IIM Jammu would also offer consultancy services to the SDDJK and help in Tracer studies, District Skill Development Plans, implementation of government schemes, identify skill and training needs etc. To provide students an early exposure to competitive ecosystem and upgrade their capacity to compete with top institutions of the country, SDDJK would organize frequent visits of selected group of students of ITIs and Polytechnics to the IIM Jammu campuses and facilitate their participation in Leadership Summits, Competitions, Hackathons etc.

Also, IIM Jammu faculty will visit various ITIs and Polytechnics under SDDJK with necessary logistic and facilitation support from the department to motivate the administration of these institutes towards a positive change and encourage the staff. IIM Jammu will regularly share the information about skill development related programs started by IIM Jammu and its partner institutes with SDD so that its students/faculty can enroll and benefit from them.

Speaking on the occasion, Dr Samoon said that the government is committed to support introduction of skill-based quality education in order to provide the community particularly youth with need based, technical and professional education as part of the Skill Development Programme. "Skill development is the need of the hour, the MoU will be the defining element in J&K's growth story. Government alone cannot accomplish this task, but concerted efforts of government, private players, IIMs and IITs will collectively bring skill revolution in J&K," he added.

IIM Jammu, SDD embark on mentor-mentee relationship for skill revolution in J-K

NewsDrum Desk May 25, 2022 - 18:42

Jammu, May 25 (PTI) Jammu and Kashmir Skill Development Department on Wednesday signed a Memorandum of Understanding with Indian Institute of Management, Jammu, to embark on a journey of mentor-mentee relationship for skill revolution in the union territory.

SDD Principal Secretary Dr. Asgar Hassan Samoon and Director IIM Jammu, Prof. B.S. Sahay inked the pact on behalf of their respective departments and institutions, an official spokesman said.

Dr. Samoon said the government is committed to support the introduction of skill-based quality education in order to provide the community particularly youth with need-based, technical and professional education as part of the Skill Development Programme.

He said skill development is the need of the hour and the MoU will be the defining element in J&K's growth story.

"Government alone cannot accomplish this task, but concerted efforts of government, private players, IIMs and IITs will collectively bring a skill revolution in J&K," he said.

According to the memorandum, the IIM Jammu will handhold a selected set of Polytechnics and ITIs across J&K through mentor-mentee relationship.

Management training programs would be conducted for a selected set of students from Polytechnics and ITIs that can potentially help them in better placements and understanding of the skill development ecosystem, the spokesman said.

He said the memorandum will also include leadership development programs for the Principals of Polytechnics and ITIs, administrators working with Skill Development for quality leadership and improvement of work culture in the Departments, ITIs and Polytechnics.

To promote entrepreneurship and help them in creating a link between skill development and entrepreneurship, the spokesman said the IIM will help the SDD to facilitate setting up of business incubators in selected IITs and Polytechnics.

Besides, the IIM will help ITIs and Polytechnics in developing competitive skills and increase industry interactions, he said.

The spokesman said the IIM Jammu would help SDD in capacity building through 1-2 weeks of training courses for mentoring trainers and faculty in the ITI and Polytechnics and train them in developing industry reports, newsletters and competitive spirit to develop their institutes.

IIM Jammu would also offer consultancy services to the SDD and help in tracer studies, district skill development plans, implementation of government schemes, identify skill and training needs, the spokesman said.

To provide students an early exposure to competitive ecosystems and upgrade their capacity to compete with top institutions of the country, he said the SDD would organize frequent visits of selected groups of students of ITIs and Polytechnics to the IIM Jammu campuses and facilitate their participation in leadership summits and competitions among others.

Also, IIM Jammu faculty will visit various ITIs and Polytechnics under SDD with necessary logistic and facilitation support from the department to motivate the administration of these institutes towards a positive change and encourage the staff, the spokesman said.

He said the IIM Jammu will regularly share the information about skill development related programs started by IIM Jammu and its partner institutes with SDD so that its students and faculty can enroll and benefit from them. PTI TAS RCJ

J-K: IIM Jammu signs MoU to amp up skill development ecosystem

India News | J-K: IIM Jammu Signs MoU to Amp Up Skill Development Ecosystem

Indian Institute of Management (IIM) Jammu signed a Memorandum of Understanding (MoU) with Jammu and Kashmir Skill Development Department (SDD) at the Civil Secretariat in Jammu on Wednesday.

[Agency News ANI](#) | May 26, 2022 05:42 AM IST

Representative Image

Jammu [India], May 26 (ANI): Indian Institute of Management (IIM) Jammu signed a Memorandum of Understanding (MoU) with Jammu and Kashmir Skill Development Department (SDD) at the Civil Secretariat in Jammu on Wednesday.

The MoU was signed by Professor B.S. Sahay, Director of IIM Jammu and Dr. Asgar Hassan Samoon, Principal Secretary, Government of Jammu and Kashmir.

"IIM Jammu will work closely with the Department of Skill Development to improve the skill development ecosystem of J&K by mentoring Polytechnics and ITIs and offering management development training programmes to the principals and faculty of these institutes", stated an official release.

Speaking on the occasion, Professor BS Sahay said, "The MoU provides various opportunities to work together in the areas of skill development, mentoring, entrepreneurship, and developing of skill hubs in the UT of Jammu and Kashmir. These collaborations will be helpful in fostering the advancement in entrepreneurship and enhancement of skills among the faculty and trainers through various capacity-building programs. I am sure the collaboration will lead to meaningful outcomes in the interest of the youth and people of the Union Territory of Jammu and Kashmir."

Dr. Asgar Hassan Samoon said, "The collaboration with IIM Jammu will help the Department of Skill Development to develop its competence in many key areas ranging from skill development to entrepreneurship and increase industry interactions. I would like to emphasize that the collaboration would give a leading edge to the Department of Skill Development in the core areas of skill development, business incubations, entrepreneurship, and development of skill hubs in the Union Territory of Jammu and Kashmir."

IIM Jmu, SDD embark on mentor-mentee relationship for skill revolution in J&K

■ TNN BUREAU

JAMMU: Jammu and Kashmir Skill Development Department on Wednesday signed a Memorandum of Understanding with Indian Institute of Management, Jammu, to embark on a journey of mentor-mentee relationship for skill revolution in the union territory. SDD Principal Secretary Asgar Hassan Samoon and Director IIM Jammu, Sahai inked the pact on behalf of their respective departments and institutions, an official spokesman said.

Samoon said skill development is the need of the hour and the MoU will be the defining element in J&K's growth story. Government alone can-

not accomplish this task, but concerted efforts of government, private players, IIMs and IITs will collectively bring a skill revolution in J&K, he said.

According to the memorandum, the IIM Jammu will handhold a selected set of Polytechnics and IITs across J&K through mentor-mentee relationship. Management training programs would be conducted for a selected set of students from Polytechnics and IITs that can potentially help them in better placements and understanding of the skill development ecosystem, the spokesman said.

He said the memorandum will also include leadership development programs for the

Principals of Polytechnics and IITs, administrators working with Skill Development for quality leadership and improvement of work culture in the Departments, IITs and Polytechnics. To promote entrepreneurship and help them in creating a link between skill development and entrepreneurship, the spokesman said the IIM will help the SDD to facilitate setting up of business incubators in selected IITs and Polytechnics.

Besides, the IIM will help IITs and Polytechnics in developing competitive skills and increase industry interactions, he said. The spokesman said the IIM Jammu would help SDD in capacity building through 1-2 weeks of training

courses for mentoring trainers and faculty in the IIT and Polytechnics and train them in developing industry reports, newsletters and competitive spirit to develop their institutes.

IIM Jammu would also offer consultancy services to the SDD and help in tracer studies, district skill development plans, implementation of government schemes, identify skill and training needs, the spokesman said. To provide students an early exposure to competitive ecosystems and upgrade their capacity to compete with top institutions of the country, he said the SDD would organize frequent visits of selected groups of students of IITs and Polytech-

nic to the IIM Jammu campuses and facilitate their participation in leadership summits and competitions among others.

Also, IIM Jammu faculty will visit various IITs and Polytechnics under SDD with necessary logistic and facilitation support from the department to motivate the administration of these institutes towards a positive change and encourage the staff, the spokesman said. He said the IIM Jammu will regularly share the information about skill development related programs started by IIM Jammu and its partner institutes with SDD so that its students and faculty can enroll and benefit from them.

IIM Jammu, SDD J&K embark on mentor-mentee relationship for skill revolution in J&K

Memorandum will prove defining element in J&K's skill growth story: Dr Samoon

MAY 25, 2022 JAMMU: Department of Skill Development today signed a Memorandum of Understanding (MOU) with Indian Institute of Management Jammu to embark on a journey of mentor-mentee relationship for skill revolution in J&K.

In this regard, Principal Secretary, Skill Development, Dr. Asgar Hassan Samoon, and Director IIM Jammu, Prof. B.S Sahay inked the memorandum on behalf of their respective departments and institutions.

Director Skill Development J&K, officers of SDD and Professor Muqbil Burhan were also present on the occasion. The MoU read that IIM Jammu will handhold selected set of Polytechnics and ITIs across JKUT through mentor-mentee relationship.

"Management training programs would be conducted for selected set of students from Polytechnics and ITIs that can potentially help them in better placements and understanding of skill development ecosystem," added the Memorandum. The memorandum will also include Leadership development programs for the Principals of Polytechnics and ITIs, administrators working with SDDJK for quality leadership and improvement of work culture in the Departments, ITIs and Polytechnics. To promote entrepreneurship and help them in creating link between skill development and Entrepreneurship, IIM will help the Skill Development department to facilitate setting up of Business incubators in selected ITIs/Polytechnics. Besides, the IIM will help ITIs and Polytechnics in developing competitive skills and

increase industry interactions, memorandum reads. According to the memorandum, IIM Jammu would help SDDJK in capacity building through 1-2 weeks of training courses for mentoring trainers/faculty in the ITI and Polytechnics and train them in developing industry reports, newsletters, and competitive spirit to develop their institutes.

IIM Jammu would also offer consultancy services to the SDDJK and help in Tracer studies, District Skill Development Plans, implementation of government schemes, identify skill and training needs etc. To provide students an early exposure to competitive ecosystem and upgrade their capacity to compete with top institutions of the country, SDDJK would organize frequent visits of selected group of students of ITIs and Polytechnics to the IIM Jammu campuses and facilitate their participation in Leadership Summits, Competitions, Hackathons etc.

Also, IIM Jammu faculty will visit various ITIs and Polytechnics under SDDJK with necessary logistic and facilitation support from the department to motivate the administration of these institutes towards a positive change and encourage the staff. IIM Jammu will regularly share the information about skill development related programs started by IIM Jammu and its partner institutes with SDD so that its students/faculty can enroll and benefit from them. Speaking on the occasion, Dr. Samoon said that the government is committed to support introduction of skill-based quality education in order to provide the community particularly youth with need based, technical and professional education as part of the Skill Development Programme. "Skill development is the need of the hour; the MoU will be the defining element in J&K's growth story. Government alone cannot accomplish this task, but concerted efforts of government, private players, IIMs and IITs will collectively bring skill revolution in J&K," he added.

IIM Jammu Signs MoU with Dept. of Skill Development, Govt. of Jammu and Kashmir

Indian Institute of Management (IIM) Jammu signed a Memorandum of Understanding (MoU) with the Department of Skill Development, Govt. of Jammu and Kashmir at the Civil Secretariat, Jammu. The MoU was signed by Prof. B.S. Sahay, Director, IIM Jammu, and Dr. Asgar Hassan Samoon, IAS, Principal Secretary, Govt. of Jammu and Kashmir. IIM Jammu will work closely with the Dept. of Skill Development, Govt. of Jammu and Kashmir (J & K) to improve the skill development ecosystem of J&K by mentoring Polytechnics and ITIs and offering management development training programs to the principals and faculty of these institutes.

Speaking on the occasion, Prof. B.S. Sahay said, *"The MoU provides various opportunities to work together in the areas of skill development, mentoring, entrepreneurship, and developing of skill hubs in the U.T. of Jammu and Kashmir. These collaborations will be helpful in fostering the advancement in entrepreneurship and enhancement of skills among the faculty and trainers through various capacity-*

building programs. I am sure the collaboration will lead to meaningful outcomes in the interest of the youth and people of the union territory of Jammu and Kashmir.”

Dr. Asgar Hassan Samoon said, “The collaboration with IIM Jammu will help the Dept. of Skill Development to develop its competence in many key areas ranging from skill development to entrepreneurship and increase industry interactions. I would like to emphasize that the collaboration would give a leading edge to the Dept. of Skill Development, Govt. of Jammu, and Kashmir in the core areas of skill development, business incubations, entrepreneurship, and development of skill hubs in the union territory of Jammu and Kashmir.”

IIM Jammu looks forward to a long-term and fruitful collaboration with the Dept. of Skill Development, Govt. of Jammu, and Kashmir.
